

OFFENDERWATCH POSTAL NOTIFICATION SERVICE

Easily Inform the Public with Offender Postcard Notifications.

Registering Agencies turn to OffenderWatch Postal Notification Service to send millions of community notifications each year.

Key Benefits

Saves you time.

With one click, all residents and special recipients are selected to receive a professional notification postcard* with your agency logo and personalized message.

*Spanish translations are also available.

Saves you money.

For the cost of a stamp, everything is included: postage, address list rental, printing, high-quality 4x6 postcards, delivery to the post office, and database updates.

Positive Public Relations.

Branded postcards promote your safety program.

Provides a comprehensive history.

The notice and the corresponding recipient addresses are logged in case the agency needs to show proof the notice was sent and who received it.
