## Protect your children where they live and play.

Over 80% of Americans live within a mile of a registered sex offender. Parents are concerned with the safety of their children while they play in the neighborhood and online. The free OffenderWatch App helps parents find offenders nearby, keep track of family members, and determine if registered sex offenders live near them.

The OffenderWatch App monitors the child's mobile phone or device to help parents guard their children from unwanted contact by sexual predators.

### Find Sex Offenders Near Me

Quickly pinpoint residences of sex offenders currently registered with local law enforcement. Click on the pin to see a photo and details about the offender. Keep aware of offenders near you and use this information to talk to your child about staying away from that location.

### Find My Family

It is often difficult to keep track of your child on a bicycle, walking home from school, or visiting grandma. By monitoring your child's phone, you can track their location as they move about the neighborhood.

### Find Sex Offenders Near My Family

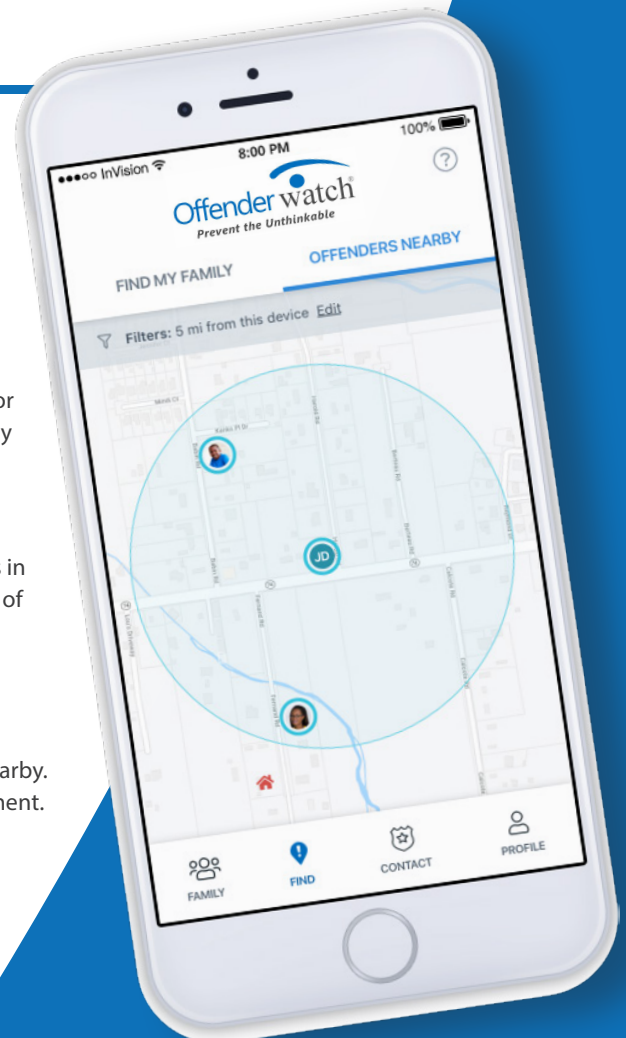

Your child planning to visit a friend in another town or go trick-or-treating with friends in another neighborhood. Now you can track the location of your child, and the location of the residences of registered sex offenders around them.

### Get Alerts Should a Registered Sex Offender Move into My Neighborhood

Parents receive an email alert should a registered sex offender move to a residence nearby. Parents also receive safety advisories and information directly from local law enforcement.

### Get Help or Contact Law Enforcement

- Learn how to speak to your child about sex offenders
- Get online safety tips
- Contact your local law enforcement or quickly dial 911

Is your child at risk online?  
Can you answer these questions?

1. Which social media apps does your child use daily?
2. How many friends/followers does your child have?  
Does he/she know them in real life?
3. How many messages or emails does your child send a day?
4. Has your child ever felt uncomfortable, embarrassed, or threatened by someone online?
5. Have you recently reviewed messages and apps on your child's phone?

Sexual predators increasingly use the internet to lure or extort the most vulnerable from anywhere online. With a Protect Plus Subscription, the OffenderWatch App adds monitoring of your child's calls, messages, and email then alerts parents if your child is contacted by a registered sex offender. The Protect Plus subscription of just \$9.99 per year covers your entire family for year.

### Alert if My Child is Contacted

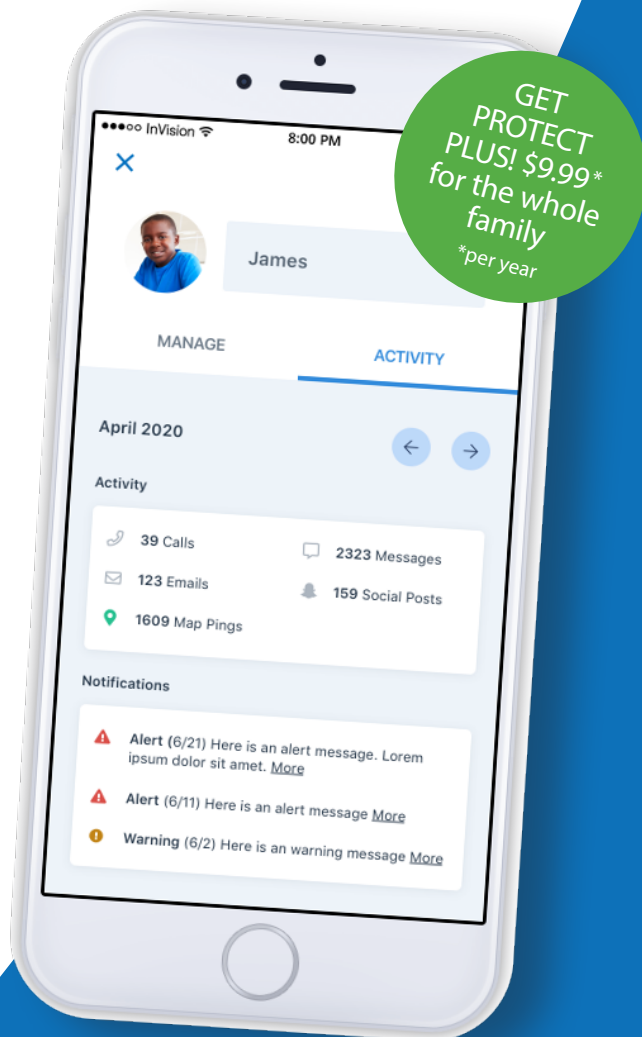

By adding a family annual subscription, the OffenderWatch App PRO will alert parents if a registered sex offender contacts your child by email, text message, phone call or if your child lingers near a registered offender's residence.

- Parents can see the numbers of text messages, emails, and calls each month by each child
- Parents are immediately alerted by a contact by a registered sex offender
- Parents receive a text message and/or email with information about the contact and suggestions on what to do

### Alert if My Child Lingers Near a Registered Sex Offender's Home

- Track each child's location on a map
- Get an alert should your child linger near a registered offender's address

Protect your children  
where they live and  
play—virtually.

## Made possible by your local Sheriff.

Your Sheriff's Office is responsible for registering and monitoring sex offenders in your area. To help keep families safe, your Sheriff provides information about sex offenders to the public via the web, email, and through the OffenderWatch App. By partnering with law enforcement, the OffenderWatch App provides the most up-to-date information about sex offenders in your area. If you have a question or concern about a sex offender in your area, contact your local Sheriff's Office right from the app.
